LAYOUT PLAN

A CROWN STUDDED WITH NUMEROUS JEWELS AWAITS YOUR CROWNING

True to its name Castles, the comforts and luxuries it offers are the rarest and the most sought for.

RICHES TAKE A COLOR OF **GREEN**

The Green Methodology is not just about saving the environment, but nurturing a sustainable one. Employing International and globally recommended technologies like

- Rain water harvesting
- Energy efficient concealed wires
- Water efficient sanitary ware
- Tinted glass for better cooling
- Eco - Friendly SS doors & Shower heads
- Recreational Areas
- Dual flush toilets
- 80% open spaces for garden

We just don't contribute to nature's ecological balance but also earn a peaceful, fresh, pure, inexpensive lifestyle for ourselves which supports and enrich our lives in the long run.

THE ROYALTY THAT CAN BE WITNESSED

The surroundings of your majestic homes also are designed and created to compliment the royal feel of life here. Open spaces used for gardens & Recreational areas are compromised in no means. A world of luxuries is what you experience with the amenities like....

- Theme gardens for senior citizen
- Kids play area with equipment
- Indoor Games
- Tennis / Badminton court
- Gazebo
- Music / dance room

An Initiative by Anil Hotchandani

Kohinoor has come a long way from being a manufacturer & trader of building materials. In the year 1992, the group initiated its construction business with projects in and around Ulhasnagar. For the past 2 decades, the group has been committed to delivering excellence in construction. From designing spaces to offering state of art amenities, our focus on excellence is foundation of all we do.

We have a strong presence in Kalyan, Ulhasnagar and Shirdi with finest residential and commercial projects in these regions - and have also extended our presence till Ambarnath with aim of enhancing the lifestyle standards of the region.

We have been octroi collection agents in Jalgaon for 4 consecutive years between 2006 and 2010. With an ISO 9001:2008 certification to our name, we are geared towards continual improvement in every aspect of our business. In the coming years, we look forward to adapting green-construction methodologies and doing our bit for the environment. Motivated by our past achievements, we are dedicated to transforming the landscape of these regions with world-class projects in future
